License Renewal for California Chiropractors

Sponsored by Dr. Victor Tong of ACCA & Cleveland Chiropractic College

Speakers:

Dr. Tong, a graduate of Logan Chiropractic College, completed his Radiology Residency in LACC. He is a highly regarded expert in the field of Radiology with over 25 years of radiology consultation and teaching experiences. He is a well respected professor in Cleveland Chiropractic College and is the Chief Clinical Radiologist in Cleveland Chiropractic Health Center.

Victor Tong, DC.
DACBR

Dr. Harter earned his D.C. in 1975 from Palmer College. In 1983, he became one of the first six doctors of chiropractic in California to become a Certified Chiropractic Sports Physician. The combination of a gym and a chiropractic practice is a concept he used since opening his practice in 1985. He is an Associate Professor and Clinician at Cleveland College of Chiropractic.

Brad Harter, DC.
CCSP
